

# ATLANTA SCUBA & SWIM CENTERS (info@atlantascuba.net 770-579-970)

**REGISTRATION COSTS:** The annual fee is \$50 per swimmer. This fee covers annual prorated administrative costs and training supplies.

**MONTHLY SWIM PAYMENT POLICY:** Monthly swim payments are collected by the 15th of each month for the following calendar month. Credit card payment is preferred. Your authorization for monthly autopayment agreement is preferred. This policy reduces administrative hours, and helps us to keep your lesson fees down. Notice of swimmer discontinuation should be received by the 10th of each month to prevent auto charge errors.

**NO-SHOW FEE POLICY:** No-show, no-contact = \$10 No Show Fee, payable with the next month's payment. All swimmers.

**MAKE-UP POLICY:** To qualify for make-up lessons, anticipated absences or absence due to sudden illness or emergency must be reported in advance of the scheduled lesson. Requests for make-ups should be made by email to [info@atlantascuba.net](mailto:info@atlantascuba.net). Your make lesson will be scheduled and confirmed on a first-come, first-served basis.

**PRIVATE SWIM PAYMENT/CREDIT POLICY:** Private swim classes are paid for in blocks of 10 lessons. All forms of payment are accepted. These lesson credits are non-refundable, never expire, and are transferable. Lessons are scheduled according to your schedule. Due to the high overhead costs of private instruction, no-show / no-contact will result in forfeiture. Private swimmers must cancel 24 hours in advance, except in case of true emergency or sudden illness to retain the lesson credit.

**PREFERRED INSTRUCTOR:** Private students may request a preferred instructor, however, the swimmer may be assigned an alternate instructor when their preferred instructor is not available.

**REFUND POLICY:** We are a swim business. Once activated, there are no refunds for partial use of monthly or private lesson packages. Your remaining lessons will be transferable, or equal in-store credit may be requested.
